### THE MANAGEMENT

The management committee consists of dedicated and experienced professionals in the field of technical education and pharmacy with an advisory committee of renowned professionals in their respective fields of study. It is a fact that the institutions already mentioned in the fields of Engineering, Management and Computer Education started by the same management proves the managerial skills of the committee members.

### VISION

To be an Institution moulding globally competent professionals as essence of noble values.

### MISSION

To transform the young generation as technically competent, ethically sound and socially committed professionals by providing a vibrant learning ambience for the welfare of Society.

### OBJECTIVE

- To achieve the academic excellence in professional education and emerge as a center of excellence.
- To develop the campus which provides higher learning and research in all academic aspects.
- To recruit and retain a diverse faculty of outstanding teacher-scholars with principles and discipline.
- To encourage and support collaborative and cross programme initiatives (Exposing to industries).
- To include moral, ethical and professional standards among the students and improve their overall personality.
- To improve the communication skills of rural students by arranging special training programmes.

### CAMPUS

A well developed campus is built on 25 acres of land consisting of the main building, labs and an amenity building with a canteen and an indoor stadium. Open space for outdoor games and the beautiful landscape make the campus an ideal place of learning.

### LOCATION

Samskruti College of Engineering & Technology, Samskruti College of Pharmacy & II-shift Polytechnic are located in a pollution free environment with natural surroundings at Kondapur village, Ghatkesar mandal, Medchal District (Old R.R. Dist.). It is 1 km away from the highway and 18km from Secunderabad/Hyderabad, connected by TSRTC bus routes from various prominent localities of twin cities.

### INFRASTRUCTURE

The built up area is over 2 lakh sft having spacious classrooms equipped with Audio-Visual aids for Teaching & learning process in addition to value added programmes in all disciplines. Further the campus is comprised of a well equipped library, a conference hall, a seminar hall, a ladies lounge and well equipped laboratories.

### FACULTY MEMBERS

Well qualified and highly experienced faculty in all the departments are the reasons for the successful running of many institutions by the same management.

### SEMINARS, WORKSHOPS & GUEST LECTURES

Periodical guest lectures are arranged in a systemic way and conducted by eminent scholars, famous industrialists and experts from reputed I.T Industries. In addition to the seminars, workshops are also conducted to motivate and inspire the students and also to make them aware of the latest developments in the industry and I.T. Sector.

### LIBRARY

A spacious well stocked library with over 36000 books available for the students. It has several national and international journals and a reference section for the use of the students and faculty. The digital library has a number of national and international E-journals. The reading assignments provided by faculty for students are kept in reserve at the circulation services - desks.

### TRANSPORTATION

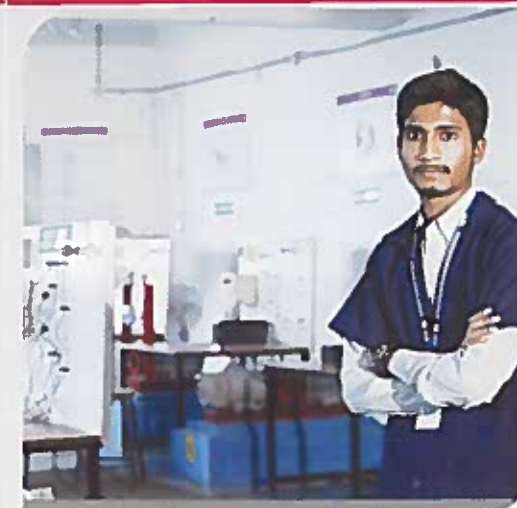

Bus facility is provided for the students to commute from their places, TSRTC is also running a number of buses up to Ghatkesar which is just 1km away from the college campus.

### PHYSICAL EDUCATION

Extra curricular activities such as table tennis, chess, caroms, football, cricket, basketball, volley ball, and various literary and cultural activities are organized to inculcate team work. Samskruti students are participating in JNTUH, state level, national level & international level of sports competitions.

### FACILITATING STUDENTS FOR COMPETITIVE EXAMS

Special coaching is offered for GATE, GRE, & TOFEL tests. Mock GATE & GRE tests are conducted and feedback is collected. Weekly quiz programs are conducted for GATE. The wall paper with quiz questions is displayed every alternative day.

### LECTURES ON ETHICS

To improve social and ethical values of the students, talks and interactive sessions are organized by inviting spiritual leaders of different faiths.

### LANGUAGE LAB (Exploring Language)

A language laboratory has been established to improve the learning skills of the students. The lab helps the students in improving their pronunciation, skills, report writing and documentation. The English development material is made accessible to the students to compete with the best and succeed in GRE, TOEFL, CAT and other competitive exams.

### FACULTY RESEARCH

Faculty will be encouraged to do research. In addition to that, faculty will have an opportunity to go for higher studies like Ph.D.

### EMPATHY WITH PARENTS

Samskruti believes that the parents and the institution should work hand-in-hand to ensure that the collective objective of the student's progress is met.

### SELF-ASSIGNED DUTIES / RESPONSIBILITIES AT SAMSKRUTI

Discipline and quality are the highest priority at Samskruti Group of Institutions. Students progress report is sent to parents twice in each semester. Unauthorized absence from classes is discouraged. Permission for absence from tests is disallowed. Students-mentoring system is established to maintain a record of academic progress and attendance of each student.

### EXPECTED RESPONSIBILITY FROM PARENTS/GUARDIAN

To strictly warn students on the above on regular basis.  
To keep a track of test dates and ensure their wards attending those tests.  
Not to authorize students to be absent from classes (except under extreme contingency) & avoid authorizing the students absent from tests and examinations.  
To ensure to see SMS (students mentoring system) whenever they visit the college.  
To make it a point to attend a parent-teachers meet.

### INDUSTRIAL TRAINING

Summer training session of 4-6 weeks duration is arranged for the students in reputed industries of the country like VTPS, BHEL, ECIL, BHPV, LANCO, AP TRANSCO, VIZAG STEEL PLANT, INFOSIS, WIPRO, IBM, MAHINDRA, SYSTEM, ETC.

### TRAINING AND PLACEMENTS

The purpose of the "Training and Placement" is to guide students to choose right career and to give knowledge, skill, aptitude and to meet the man power requirement of the industries. It acts as a link between students and alumni and the employment community. Samskruti Training and Placement cell assures 100% placements.

### SAMSKRUTI SKILL DEVELOPMENT CENTRE

Skill development activities like soft skills, personality development, career guidance and other technical development programmes are conducted to ensure the employability of the students.

Guest lectures are conducted by inviting experts from various universities,
