The program was launched by Telangana Chief Minister Chandrashekar Rao on 3 July 2015. It is one of the Telangana Flagship programmes to rejuvenate degraded forests, protecting these forests from threats such as smuggling, encroachment, fire and grazing. It adopted intensive soil and moisture conservation measures based on a watershed approach.

In the areas outside the existing forest, massive planting activities were to be taken up in areas such as; road-side avenues, river and canal banks, barren hills and foreshore

Date of activity : 04/06/2019
Venue : College Seminar Hall
Agency Involved : SCET NSS UNIT
Number of participants : 58 Members

World Environment Day is celebrated annually on June 5 and is a United Nations initiative for encouraging worldwide protection of our environment. The day aims to create awareness among more and more individuals to take certain actions against the growing strain on Earth's natural ecosystem. World Environment Day focuses on solving environmental issues so that new schemes can be implemented to make a healthier environment and safer for the future. This is the day when people from several countries come together to protect our planet.
