LETTER OF RECOMMENDATION

I consider it my pleasure to recommend KISHAN RAMAKRISHNA HEGDE, whom I have known for the past three months. He worked as an intern for 3 months and has been selected as an employee, after having observed his dedication, talent and thirst for knowledge.

KISHAN RAMAKRISHNA HEGDE had always shown enthusiasm to excel and work harder than his fellow colleagues. He worked on various complex problem statements and designs during his tenure and proved to be patient and diligent in such a brief time.

I would highly recommend KISHAN RAMAKRISHNA HEGDE for the graduate program at your esteemed University. I firmly believe that his determination, creativity and challenging character will certainly make him an asset to the university.

Yours faithfully,
