Hello Jasvinder,

Greetings from Inspire!

It has been pleasure exchanging conversations with you. Further to our discussion, we would like to visit your college campus on Monday 31st July, by 11 am to meet, review and associate with deserving students of your college.

The primary eligibility criteria we are looking, is a minimum of 60% in academics. However we would be happy to meet all the 3<sup>rd</sup> and 4<sup>th</sup> year students irrespective of their academic performance and have a word with them during the introduction seminar.

Below is the interview process we will follow:

- Round 1 - Sign up into "Brand 360 Influencer marketing" tool and attempting the influencer test where a social media score is recorded. This helps in understanding a student's social influence intensity.
- ➤ Round 2 - Once we have the Influencer scores list, we will conduct a brief workshop and shortlist the candidates followed by a Problem Solving Round.
- ➤ Round 3 - This is the final round where our HR team will have a face to face with the candidates for further processing.

Below is what we would require from your side to conduct the session

- ➤ Good internet access to the computers for students and also access to the social media in the computer labs (This is because the students will take a test on Brand 360 website)
- ➤ For your information, two members from Inspire will be visiting your college and we would need some assistance from those students of your college who have already been interns with us.
- ➤ If need be, our head or team lead will join us through Skype.

Regarding the stipend, the process is as follows as discussed in our last conversation:

- 1st three months, no stipend
- 3-6 months, basic stipend (based on performance)

Do let us know, if you have any further queries.

PFA of the job description.
