November 6, 2021

Dear Keerthi Reddy Gurrala,

**Congratulations!** The Admissions Committee for the Graduate Program in Master of Science: Computer Science - CS option program has completed its review of your academic credentials. Based on these assessments and the conclusions of the Committee, I am pleased to offer you admission to the Sacred Heart University class entering in the Late Spring / Summer 1 2022 term.

Your student ID is 0887481. Please keep this for your records.

Your admission status is: **Admit**

Any pre-requisite coursework or conditions of your acceptance, if required, is specified here: **CS504**

The competition for admission was particularly rigorous this year. We were impressed by your academic achievements and believe strongly in your potential for continued success. A mandatory orientation is scheduled approximately one week prior to the start of your program. Please pay close attention to your email address on file ([gkeerthireddy25@gmail.com](mailto:gkeerthireddy25@gmail.com)) as you will be receiving several detailed emails explaining the costs of your program, important dates to remember, an explanation of conditions of your acceptance (if any), and detailed next steps to receive your I-20. Briefly, your next steps include:

1. Pay your enrollment deposit (this is required to issue the I-20)
2. Have your I-20 emailed/shipped from Sacred Heart University
3. Schedule and prepare for your visa interview
4. Secure your visa
5. Prepare your health immunization records
6. Register for classes
7. Register for orientation
8. Book travel to Sacred Heart University

Sacred Heart University holds students to the highest level of academic integrity, and conducts regular audits of academic documents (such as transcripts, exam scores, etc.). If any documents are found to have been falsified or altered in any way, your acceptance will be automatically terminated and you may be reported to US immigration officials.

As a graduate student at Sacred Heart University, you will be subject to all academic standards and regulations and to the program guidelines in effect for the semester applicable at the time of this acceptance. Furthermore, as an international student, and in accordance with Immigration and Customs Enforcement (ICE) regulations, you are required to maintain continuous, full-time enrollment. Failure to do so may invalidate your student status here at Sacred Heart University, your legality as a visitor to the United States, and consequently subject you to the appropriate ICE repatriation laws. Please refer to our official Graduate Catalog for the complete policy governing full-time status for international students.

Finally, please accept my congratulations on your successful application. You are about to embark on an exciting, challenging and rewarding professional educational experience. We look forward to welcoming you to the Sacred Heart University campus community and to our graduate program.

With warm wishes,

# MANDATORY REQUIREMENTS

You are required to read this section and the more detailed **New Student Guide** sent with your Offer letter or available at <http://www.georgebrown.ca/international/futurestudents/afteryouapply/>. Students who deferred from the previous semester and re-applied to the September 2018 semester are also required to follow these steps.

## OTHER CRITICAL STEPS

### Reset Your Password

- If you have not already reset your password, you will need to log in at <https://service.georgebrown.ca> with the Student ID and Password you received on your Letter of Acceptance, create a new password and set-up some security questions. Your new password will be valid for one year and will expire automatically every year.
- If you have problems with your password or you are unable to log in to Stu-View or you have difficulty registering for courses, please call 1-416-415-2000 or 1-800-265-2002 for help. Press option 1, then press 0 to speak to an agent directly. You can also contact <http://ask.georgebrown.ca/> for help.

### Register for Courses

- Register online for the courses in your program at <http://stuviview.georgebrown.ca/> using your Student ID and Password. The registration start date for programs and respective semesters will be available on Stu-View on **July 05, 2018**. Online registration will start on **July 16, 2018**. Choose your courses and register as early as possible after registration opens or the course may fill up and you will not be able to take it when you want to.

### Arrange for Placement Testing for English/Math

Most post-secondary students are required to take the Placement Test for English or Math or both depending on individual program requirements. There is no fee for the test.

- You are **not** required to take the Placement test if you:
  - have already taken an Admissions Assessment (test) to be admitted to the College. For students who have already taken the Admissions Assessment, the results of that test will be used to place you in the appropriate English and Math courses.
- **OR**
  - are applying for a Post-Graduate Certificate or Degree program
- Placement Testing determines if you are ready to take the college-level courses in English and/or math in the first semester, or if you need to take a foundation-level course first to further develop your skills. Therefore, the Placement Test is a very important part of your academic success. The Placement Test is not a pass or fail.
- Please check the programs requiring placement testing at <http://www.georgebrown.ca/assessment/placement/> and arrange for your Placement Test(s) through Stu-View when registering for your courses (see previous section). Plan to visit the Information about Assessment page at <http://www.georgebrown.ca/assessment/what/> to prepare, so that your test results place you in a course that reflects your skill level.
- It is best to take the Placement Test as early as possible. There is a deadline to take a Placement Test. **However, for those still outside Canada, Placement Tests can be taken upon arrival in early September 2018** at the Assessment Centre at Casa Loma Campus or St. James Campus before classes start. If you do not take the Placement Test, you will be automatically placed in foundation-level courses. The last day to take the Placement Test for English & Math for students who were automatically placed in foundation course(s) is September 17, 2018 (first year students only).
- Remember, if you take the test and achieve the appropriate score on time, you may be exempted from Foundation level and go straight to College-level English and/or math. If you get this exemption, you won't have to pay extra course fees.
- If you are placed in a Foundation-level course, the course will be automatically included in your timetable (in block-based programs) or will be available for registration through your StuView account (in course-based programs). Your placement into a foundation-level course will not affect your start in the program and you will still take your core courses scheduled for the semester.
- Upon successful completion of your Foundation-level course(s), you will be able to take College-level English and/or mathematics course(s). You will be charged a full course fee for the additional course(s) when you register for your College-level course, usually in Semester 2. This fee could vary, but may range from \$1000-1500 for international students. If available, you may also be able to take an evening equivalent of this College-level course through the George Brown Continuing Education Department at a lower fee. Please see here for availability: <http://coned.georgebrown.ca/>

#### Activate your George Brown Student E-mail Address

- Your George Brown e-mail account must be activated to receive communication from College staff and teachers at <http://www.georgebrown.ca/studentemail/index.aspx>

#### Attend Classes by the Deadline Date

- September 10, 2018 is the last date to attend the program in September 2018. There are no extensions past that date. Students who fail to attend the first week will not be admitted into the class. If you are not able to arrive and be in class by September 10, 2018, immediately notify your Admissions Officer so that you can be withdrawn from the program, deferred to the next available intake and not be charged for the September 2018 semester.

#### REQUIRED VISAS AND PERMITS

---

##### Study Permits

- A valid Study Permit (Visa) must be obtained at the Canadian Consulate/Embassy nearest you to study at George Brown College. Students currently holding a study permit/visa and transferring from high school level must be in possession of a new **postsecondary** Study Permit **before** being permitted to start classes at the College.
- All Study Permit applicants must record the George Brown College Designated Learning Institution (DLI) Number O19283850612 on their study permit applications. (Note that the first character of the DLI number is a capital letter O and not a zero).
- International students are now required to submit a copy of their Study Permit electronically to the International Centre. Please visit [applynow.georgebrown.ca/International/studypermitleupload](http://applynow.georgebrown.ca/International/studypermitleupload) to upload a copy of your study permit and enter a few pieces of information from your permit. You will receive a notification once it has been accepted by International Centre staff.

##### Work Permits

- International students who are undertaking any kind of field education, regardless of length, paid or unpaid, must have a valid co-op work permit, which can be applied for at the same time as your study permit.
- The work permit is a document required by Immigration, Refugees and Citizenship Canada (IRCC) before you can start your field placement, work placement, externship, practicum or volunteer work, even if they are unpaid.
- For programs that require clinical placements or internships involving healthcare settings and or interaction with families, the elderly and children in Canada, students applying for a Study Permit and/or Work Permit are required by the Canadian Consulate/Embassy to undergo a medical exam by a Panel Physician. Students must complete this exam at the time that they apply for their study permit and/or work permit.  
See <http://www.cic.gc.ca/pp-md/pp-list.aspx> for information on Panel Physicians in your country or region.

##### Additional Medical and Police Clearance Required

- For clinical/work placements for Community Services, Health Sciences, H402 (Food & Nutrition Management) and H119 (Culinary Management-Nutrition, if placed in a health care setting) programs, you are required to complete a **separate medical exam** upon arrival in Ontario.
- Some programs require a Police Vulnerable Sector Check (PVSC) in Ontario before any placements can begin. Please see <http://www.georgebrown.ca/preplacement> for details.  
For any questions on these additional requirements, contact Suzette Martinuzzi at 1-416-415-5000 ext.3415 between 9am-4pm or by e-mail at [smartinu@georgebrown.ca](mailto:smartinu@georgebrown.ca)

## WITHDRAWALS & REFUNDS

- If you are unable to come to the College due to visa processing delays, visa refusal or for various other reasons, you must inform your Admissions Officer (in writing with supporting documents) on or before September 17, 2018 to avoid being charged the full fees for one semester. A Withdrawal/Refund Form must be completed and is available online at [http://www.georgebrown.ca/international/currentstudents/withdrawal\\_refund\\_policy.aspx](http://www.georgebrown.ca/international/currentstudents/withdrawal_refund_policy.aspx). A minimum \$1,000 non-refundable fee will be charged for withdrawal and refund (\$100 for visa refusal with visa refusal letter only).
- Please note program deferrals to the next semester will not automatically withdraw you from already registered courses. You must inform your Admissions Officers before September 17, 2018 to be withdrawn from registered courses to avoid being charged the full semester's fees.
- Refund requests for submitted fee payments whose acceptance to programs were expired or revoked for non-confirmation by the offer expiry date will be charged a non-refundable \$100 administrative fee
- Fee payments made originally by credit card can only be refunded to the same credit card used. Fee payments from overseas received by electronic bank transfer will be returned only to the originating bank account.
- Refunds are made in Canadian currency and, therefore, the final amount that you may receive will depend on the foreign exchange rates at the time the refund is processed. The College is not liable for loss of funds due to currency exchange.

If you have any questions, contact your Admissions Officer: Chitra Sriram at [csriram@georgebrown.ca](mailto:csriram@georgebrown.ca)
