Programme Report

Name of the Programme: A Five-Day FDP on Emerging Research Methods
Organized by: Department of Business Administration
Schedule dates: 12-11-2018 to 16-11-2018
Resource Person: Mr. G. Ramakrishna
Asst. Professor, SMICH-Hyderabad
Phone no: 988582317
E-mail Id: garigapatiram@gmail.com

Objective of the Program

- Research is a careful and detailed study of a particular problem or concern, using scientific methods. An in-depth analysis of information creates space for generating new questions, concepts and understandings. The main objective of this FDP is to explore Emerging Research Methods, explore the unknown and unlock new possibilities.

Outcome of the Program

- Outcome of this research program focuses on the development of methods and strategies for conveying information in ways that activate the patient as a partner in decision making. The outcomes are new strategies and methods for making inferences to improve the validity and efficiency of evaluative research.

Report on Programme

Name of the Programme: A One-Week Training Program on E-CAP
Organized by: Department of Computer Science and Engineering
Schedule dates: 17-06-2019 to 22-06-2019
Resource Person: Mr.Ch.Satish
Ass.Prof, SNIST-Hyderabad
Phone no: 8074219457
E-mailid:chollet.satish@gmail.com

Objectives of FDP:

- ECAP aims at immediate availability of data in required formats ease the work of staff and management and increase in transparency and accountability in administration.
- Internet or Intranet enabled Application. User Levels with Access Rights for Data Security. Course/Batch/Category/Student Fee Dues Reports.

Outcomes of FDP:

- Admission process: The process involves interacting with students and providing authentic information to the students. Our objective is to develop the software that can take the hassle out of the process and make it more user-friendly. While online submission of documents can solve the problem to a greater extent, our software goes a step ahead in helping the administrative staff in processing the applications.
- Communication: Our platform facilitates uninterrupted communication between teacher, students and parents. Smooth communication ensures free flow of information. The info could be in the form of news, notice and events. Also students and parents can seek specific information related to academics.
