SPL is a professional body that oversees its teams' participation. This establishes the guidelines for behavior and competitiveness, and they discipline their members as needed. This is accomplished using a framework that differs depending on the league. Students who participate in sports grow both physically and mentally. Students must engage in regular physical activity since it not only keeps them healthy but also helps them become more emotionally fit. Hence, the students can able to concentrate on their academic work efficiently.

To boost self-esteem, mental acuity, and confidence, students must participate in school athletics. Sports are crucial in colleges because they assist students to learn a variety of abilities like leadership, perseverance, teamwork, and social skills.

In this view, the institute's Sports & Games committee organizes the SPL once every academic year for all the students to motivate students in all aspects beyond the regular academic work.

Haritha Haram - An Environmental Promotional Program:

Samskruti College of Pharmacy is conducting an important environmental promotional program named 'Haritha Haram' both inside and outside the college campus every year by making the involvement of more number of female students and staff of the college apart from the male students and staff especially to sensitize them on the importance of the plantation program 'Haritha Haram'. This program also emphasizes the importance and role of plants and trees in minimizing the pollution and in maintaining the good environment for the health and wellbeing of the society. The college is ready to encourage the larger involvement of female students and faculty in any other kind of environmental promotional program that it undertakes in future.

The NSS unit and students of Samskruti College of Pharmacy in association with their faculty have organized a plantation program named 'Haritha Haram' at the college premises and outside the campus of Samskruti Group of Institutions which comes under the village Kondapur on 10th August 2021. The purpose of undertaking this program is to bring an awareness regarding the necessity and advantages of plantation and growing the plants on the earth both in the campus students and in the near by local community.
