## PROGRAM REPORT

**Program name:** 'Republic Day'.

**Date:** 26.01.2021

**Venue:** College campus.

**Organized by:** Department of Pharmacy.

**Students and staff members participated:** 34 members.

Every year on 26<sup>th</sup> January, 'Republic Day' is observed and celebrated across the country. Republic Day is celebrated on January 26 every year to remember the day when the Constitution of India came into effect after India gained independence after a very long freedom struggle. **Republic Day** is a national holiday in India commemorating the adoption of the Constitution of India, and the country's transition to a republic which came into effect on 26 January 1950.

The constitution replaced the Government of India Act 1935 as the governing document of India, thus turning the nation from a dominion into a republic post its independence from the British Raj in 1947. The constitution was adopted by the Constituent Assembly of India on 26 November 1949 and came into effect on 26 January 1950. The date was chosen as the Indian National Congress proclaimed 'Purna Swaraj' (complete independence) on this day. Republic Day is commonly associated with parades, political speeches, cultural events and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of India.

Republic day was celebrated by flagasting following the speeches of the Principal, HODs and some of the staff members and the students. The principal and HODs of the college reviewed and explained most of the details about the preparation of constitution of India and the significance of it. They speakers in this ceremony also explained about the significance of the 'Republic day'.

## PROGRAM REPORT

**Program name:** 'Independence Day'.

**Date:** 15.08.2021

**Venue:** College campus.

**Organized by:** Department of Pharmacy.

**Students and staff members participated:** 66 members.

An **independence day** is an annual event commemorating the anniversary of a nation's independence or statehood, usually after ceasing to be a group or part of another nation or state, or after the end of a military occupation, or after a major change in government. Many countries commemorate their independence from a colonial empire. Not all countries mark independence as a national holiday. Many, such as Australia, Canada, Denmark, New Zealand, Ireland, Luxembourg, Saudi Arabia, South Africa, Taiwan, and Turkey mark other dates of significance.

The government of India decided to celebrate the 75 years of independence of India, with tribute to people instrumental in bringing India thus far in its journey, in the spirit of self-reliant India. It is the initiative to celebrate and commemorate 75 years of independence from British rule and the history of India's people, culture and achievements. The commemoration is to be celebrated through a series of events organized by the government of India. Prime minister of India 'Narendra Modi' inaugurated the celebration on 12 March 2021 with a *padyatra* (march) at Sabarmati Ashram with a 75-week countdown to its 75th anniversary of independence and it will continue till 2023 ending on 15th August 2023.

In the usual ceremonial practice the prime minister of India hoists the flag from Red Fort at Delhi followed by a speech on achievements and proud moments as a people of India. The individual states and cities of India will also celebrate the same at their local level. The government of India also started a campaign '*Har Ghar Tiranga* (Tiranga at each house)' under the auspices of '*Azadi Ka Amrit Mahotsav*' to endorse people to bring the flag home and hoist it to mark the 75th year of India's independence.

Independence day was celebrated by flagasting following the speeches of the Principal, HODs and some of the staff members and the students. The principal and HODs of the college reviewed and explained most of the details about the events taken place in the history that lead to

When you wear a mask, in the event of Corona viral pandemic situation you can **protect others** as well as yourself. Masks work best when everyone wears. A mask is not a substitute for social distancing. Masks should still be worn in addition to staying at least 6 feet apart, especially when we are in indoors around people. The following must be followed to be safe.

- Washing your hands frequently (for at least 20 seconds) with soap and water or a hand sanitizer that contains at least 60% alcohol.
- Avoiding touching your face (particularly your eyes, nose, and mouth).
- Staying in home as much as possible, even if you don't feel sick.
- Avoiding crowds and gatherings of 10 or more people.
- Avoiding all non-essential shopping and travel.
- Keeping 6 feet of distance between yourself and others when out.
- Getting plenty of sleep, which helps support your immune system.
- Following all recommendations from health authorities.
