PROGRAM REPORT

Program name: 'Republic Day'.

Date: 26.01.2022

Venue: College campus.

Organized by: Department of Pharmacy.

Students and staff members participated: 152 members.

Every year on 26th January, 'Republic Day' is observed and celebrated across the country. Republic Day is celebrated on January 26 every year to remember the day when the Constitution of India came into effect after India gained independence after a very long freedom struggle. **Republic Day** is a national holiday in India commemorating the adoption of the Constitution of India, and the country's transition to a republic which came into effect on 26 January 1950.

The constitution replaced the Government of India Act 1935 as the governing document of India, thus turning the nation from a dominion into a republic post its independence from the British Raj in 1947. The constitution was adopted by the Constituent Assembly of India on 26 November 1949 and came into effect on 26 January 1950. The date was chosen as the Indian National Congress proclaimed 'Purna Swaraj' (complete independence) on this day. Republic Day is commonly associated with parades, political speeches, cultural events and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of India.

Republic day was celebrated by flagasting following the speeches of the Principal, HODs and some of the staff members and the students. The principal and HODs of the college reviewed and explained most of the details about the preparation of constitution of India and the significance of it. They speakers in this ceremony also explained about the significance of the 'Republic day'. Large number of students and staff members were participated in this ceremony and few of the cultural events on this occasion and made the program successful.

Many countries commemorate their independence from a colonial empire. Not all countries mark independence as a national holiday. Many, such as Australia, Canada, Denmark, New Zealand, Ireland, Luxembourg, Saudi Arabia, South Africa, Taiwan, and Turkey mark other dates of significance.
