### COMMUNICATION SKILLS LAB

#### Objective:

Samskruti College of Pharmacy is conducting the 'Communication Skills Lab' in the first year and first semester of the under graduate pharmacy courses like B.Pharmacy where in the topics of English language and Communication Skills were being taught. For B.Pharmacy course it is a part of JNTUH curriculum. Many students from rural areas are joining the college for pursuing the undergraduate Pharmacy courses were found not up to the mark in the English language and communication skills. Therefore, to complement the above skill set to the students the college is conducting the above lab to them so that they will not face any difficulty with regard to their future prospects. This helps the students to successfully complete their courses and move in their career.

#### Scope:

This course will prepare the young pharmacy students to interact effectively with the doctors, nurses, dentists, physiotherapists and other health workers. At the end of this course the student will get the soft skill set to work cohesively with the team as a team player and will add value to the pharmaceutical business.

#### Outcomes:

Upon completion of the course the student will be able to

- Understand the behavioural needs of pharmacist to function effectively in the areas of pharmaceutical operation.
- Communicate effectively (verbal and Non verbal).
- Effectively manage the team as a team player.
- Develop interview skills.

Develop leadership qualities and essentials
