

Title of the Paper	Name of Author	Title of journal	Year of publication
Synthesis Characterization and Cytotoxic evaluation of 2-[5-substituted 2-oxo-3-phenylimino]indolinyl]-n-(4-phenylthiazol-2-yl)acetamide	B.Sudhakar	Paideuma Journal of research	2019
Influence of Abelmoscus esculentus, hibiscus rosasinensis and tamarindus indica mucilages on nizatidine release from floating tablets	Santhisree	JGTPS	2018
Development of Carbamazepine mucoadhesive microemulsion for brain targetting	Srividya	IJPBS	2018
Formulation method development and evaluation of lipid soluble drug by nanotechnology	K.Anil kumar	IJPBS	2019
Synthesis characterization and in-vitro inflammatory activity of some novel Schiff bases of Isatin derivatives	B.Sudhakar	IJPBS	2019
Brain targetting of Chitosan based Diazepam mucoadhesive microemulsions via nasal route: Formulation, Optimization, characterization, Pharmacokinetic and Pharmacodynamic Evaluation	Srividya	Drug Dev Ind Pharm	2019
