We are excited to announce an upcoming seminar titled "Entrepreneurship - A Suitable Tool for Employability" scheduled to be held at the Seminar Hall. We invite all interested individuals to join us for this insightful session:

Seminar Title: Entrepreneurship - A Suitable Tool for Employability

Date: 21st February 2022

Venue: Seminar Hall

Coordinator: Pavani

This seminar aims to explore the role of entrepreneurship in enhancing employability and fostering economic growth. Through interactive discussions and presentations, participants will gain valuable insights into the entrepreneurial mindset, skills, and opportunities for career advancement.

Join us as we delve into the world of entrepreneurship and discover how it can serve as a catalyst for personal and professional success. Your active participation will contribute to making this seminar a rewarding experience for all.

**Report: Seminar on Entrepreneurship - A Suitable Tool for Employability**

Date: 21st February 2022

Venue: Seminar Hall

Coordinator: Pavani

Number of Participants: 30

**Summary:**

The seminar on "Entrepreneurship - A Suitable Tool for Employability" held on 21st February 2022 at the Seminar Hall was a resounding success, attracting a diverse audience eager to explore the intersection of entrepreneurship and employability.

**Key Highlights:**

**Inaugural Address:** The seminar commenced with an inspiring inaugural address by the coordinator, Pavani, who highlighted the importance of fostering an entrepreneurial mindset to navigate today's rapidly evolving job market.

**Guest Speakers:** Esteemed guest speakers from various industries shared their entrepreneurial journey, emphasizing the essential skills and attributes needed to succeed as an entrepreneur. Their insights provided valuable guidance to participants seeking to venture into entrepreneurship.

**Interactive Sessions:** The seminar featured interactive sessions, including panel discussions and Q&A sessions, allowing participants to engage with speakers and delve deeper into topics such as idea generation, business planning, and overcoming challenges in entrepreneurship.

**Case Studies:** Real-life case studies were presented, showcasing successful entrepreneurial ventures and highlighting key strategies for achieving business success. Participants gained practical insights into the entrepreneurial process and learned from the experiences of industry leaders.

**Networking Opportunities:** The seminar provided ample networking opportunities for participants to connect with like-minded individuals, potential collaborators, and mentors in the entrepreneurial ecosystem. Networking sessions facilitated the exchange of ideas and fostered potential partnerships.

**Conclusion:**

The seminar on entrepreneurship served as a platform for inspiring and empowering individuals to pursue entrepreneurial endeavors as a viable path to enhance employability and create value in

We are excited to announce an upcoming workshop titled "Understanding Legal Rights Governing Creations of the Human Mind," scheduled to take place on the 5th and 6th of February 2022 at the Seminar Hall.

Date: 5th & 6th February 2022  
Time: 10:00 AM to 4:00 PM  
Venue: Seminar Hall

In today's dynamic landscape, creations of the human mind drive innovation across sectors. Understanding and safeguarding the legal rights associated with these creations are imperative.

This workshop will delve into:

- Intellectual Property Fundamentals.
- Legal Framework: National and international laws.
- Ownership, Protection, and Enforcement.
- Emerging Issues: Digital rights management, open source licensing, AI impacts.
- Case Studies and Best Practices.
- Featuring legal experts, interactive discussions, case studies, and Q&A sessions.

For inquiries, please contact Mr. Srinivas, Head of the ECE Department.

Workshop Report

Workshop Title: Understanding Legal Rights Governing Creations of the Human Mind

Date: 5th & 6th February 2022

Venue: Seminar Hall

Total No of Participants: 25

**1. Introduction:**

The Workshop on Legal Rights Governing Creations of the Human Mind was organized with the objective of providing participants with a comprehensive understanding of intellectual property rights and the legal frameworks surrounding creations of the human intellect.

**2. Opening Address by Principal:**

The workshop commenced with an opening address by the Principal, emphasizing the significance of intellectual property rights in fostering innovation and creativity. The Principal highlighted the role of educators and professionals in promoting a culture of respect for intellectual property.

**3. Sessions and Presentations:**

The workshop featured sessions covering intellectual property fundamentals, the legal framework, ownership and protection, emerging issues, case studies, and best practices. Eminent legal experts delivered presentations, providing valuable insights and practical guidance to the participants.

**4. Address by ECE HOD Srinivas:**

Dr. Srinivas, Head of the ECE Department, delivered a special address, underscoring the importance of understanding legal rights in the context of electrical and computer engineering. He encouraged participants to actively engage in the workshop and apply the knowledge gained in their academic and professional pursuits.

**5. Interactive Discussions and Q&A Sessions:**

Participants actively engaged in interactive discussions, sharing their experiences, concerns, and perspectives on intellectual property rights. Dedicated question and answer sessions provided participants with the opportunity to seek clarification on specific topics and address their queries directly to the experts.

**6. Conclusion and Recommendations:**

The workshop concluded with a closing session, wherein the importance of continued education and awareness in navigating the evolving landscape of intellectual property law was reiterated. Recommendations were made for organizing similar workshops periodically to keep participants updated on the latest developments in intellectual property law.

**CIRCULAR**

We are pleased to announce an upcoming webinar titled "Promotion of Research" scheduled to be held on 30th December 2021. We invite all interested individuals to join us for this enriching session:

Webinar Title: Promotion of Research

Date: 30th December 2021

Coordinator: P. Satyanarayana

This webinar aims to promote a culture of research excellence and innovation among participants. Through insightful presentations and interactive discussions, attendees will gain valuable knowledge and resources to enhance their research skills and contribute to the advancement of knowledge in their respective fields.

Join us as we explore the importance of research promotion and its impact on academic and professional development. Your active participation will enrich the webinar experience for all attendees.

**Report: Webinar on Promotion of Research**

Date: 30th December 2021

Coordinator: P. Satyanarayana

Number of Participants: 20

**Summary:**

The webinar on "Promotion of Research" held on 30th December 2021 was a highly informative and engaging event aimed at fostering a culture of research excellence and innovation among participants.

**Key Highlights:**

**Opening Remarks:** The webinar began with opening remarks by the coordinator, P. Satyanarayana, who underscored the importance of promoting research in academic and professional settings. He emphasized the role of research in advancing knowledge and addressing societal challenges.

**Guest Speakers:** Distinguished guest speakers from various disciplines delivered insightful presentations on different aspects of research promotion. They shared their expertise and experiences, providing valuable guidance on research methodologies, publication strategies, and funding opportunities.

**Topics Covered:** The webinar covered a wide range of topics, including:

Importance of research promotion in higher education institutions

Strategies for enhancing research productivity and impact

Ethical considerations in research conduct and publication

Leveraging technology and collaboration for research advancement

**Interactive Sessions:** Participants actively engaged in interactive sessions, asking questions and sharing their experiences related to research promotion. Panel discussions provided a platform for exchanging ideas and best practices among attendees.

  
**PRINCIPAL**  
Samskruti College of Engineering & Technology  
Kondapur, Ghatkesar Municipality, Medchal (D)

**SAMSKRUTI COLLEGE OF ENGINEERING & TECHNOLOGY**  
(Approved by AICTE, New Delhi & Affiliated to JNTUH.)  
**Kondapur(V), Ghatkesar(M), Medchal(Dist)**

**Networking Opportunities:** The webinar facilitated networking opportunities for participants to connect with fellow researchers, potential collaborators, and resource persons in the research community. Networking sessions encouraged the exchange of ideas and the formation of valuable professional connections.

**Conclusion:**

The webinar on promotion of research served as a valuable platform for participants to gain insights, share knowledge, and network with peers in the research community. Attendees left the event inspired and equipped with practical strategies to enhance their research endeavors and contribute meaningfully to their respective fields.

**Acknowledgments:**

We extend our sincere gratitude to all the guest speakers, participants, and organizers for their invaluable contributions to making this webinar a success. Special thanks to P. Satyanarayana for his exemplary coordination and leadership in organizing the event.
