We are excited to announce an upcoming workshop on "Legal Rights Governing the Use of Creations of the Human Mind" scheduled to be held on 15th and 16th May 2023. We cordially invite all interested individuals to participate in this insightful event.

Workshop Title: Legal Rights Governing the Use of Creations of the Human Mind
Date: 15th and 16th May 2023
Coordinator: Rajeswar Reddy, H&S HOD
Place: Seminar Hall

This workshop aims to explore the legal framework surrounding intellectual property rights and the protection of creations of the human mind. Participants will have the opportunity to gain a deeper understanding of copyright, patents, trademarks, and other relevant legal concepts.

Join us as we delve into discussions on the importance of protecting intellectual property, navigating legal challenges, and maximizing the value of creative endeavors. The workshop will feature expert presentations, interactive sessions, and case studies to enhance learning and facilitate knowledge sharing.

Thank you for your interest, and we look forward to your participation in this workshop on legal rights governing the use of creations of the human mind.

Report: Workshop on Legal Rights Governing the Use of Creations of the Human Mind

Date: 15th and 16th May 2023

Venue: Seminar Hall

Coordinator: Rajeswar Reddy, H&S HOD

Number of Participants: 25

Summary:

The workshop on "Legal Rights Governing the Use of Creations of the Human Mind" conducted on 15th and 16th May 2023 was a comprehensive and enlightening event aimed at exploring the legal framework surrounding intellectual property rights (IPR) and the protection of creative works.

Key Highlights:

Inaugural Address: The workshop commenced with an inaugural address by the coordinator, Rajeswar Reddy, who emphasized the importance of understanding and safeguarding intellectual property rights in today's knowledge-driven society. He highlighted the role of intellectual property in fostering innovation, creativity, and economic growth.

Expert Presentations: Esteemed experts in the field of intellectual property law delivered informative presentations on various aspects of IPR, including copyright, patents, trademarks, and trade secrets. They provided insights into the legal principles, regulations, and best practices governing the protection and enforcement of intellectual property rights.

Interactive Sessions: Participants actively engaged in interactive sessions, posing questions, sharing experiences, and seeking clarification on legal issues related to intellectual property. The interactive nature of the sessions facilitated meaningful discussions and enhanced participants' understanding of complex legal concepts.

(Approved by AICTE, New Delhi & Affiliated to JNTUH.)
Kondapur(V), Ghatkesar(M), Medchal(Dist)

Case Studies: Real-life case studies were presented to illustrate the practical application of intellectual property laws in different industries and scenarios. Participants analyzed case studies, identified key legal issues, and discussed strategies for protecting intellectual property assets and resolving disputes.

Networking Opportunities: The workshop provided valuable networking opportunities for participants to connect with legal experts, industry professionals, and fellow attendees. Networking sessions facilitated the exchange of ideas, experiences, and contact information, fostering potential collaborations and partnerships.

Conclusion:

The workshop on legal rights governing the use of creations of the human mind provided participants with valuable insights, practical knowledge, and resources to navigate the complex landscape of intellectual property. Attendees left the workshop equipped with a deeper understanding of intellectual property laws and their implications for innovation, creativity, and business success.

Acknowledgments:

We extend our sincere gratitude to Rajeswar Reddy for his exemplary coordination and leadership in organizing the workshop. Special thanks to all the speakers, participants, and organizers for their valuable contributions to making this workshop a success.

We are pleased to announce a two-day workshop on "Renewable Energy Sources" scheduled to be held on 14th and 15th March 2023 at the Seminar Hall. We invite all interested individuals to participate in this informative and engaging workshop.

Workshop Title: Renewable Energy Sources
Date: 14th and 15th March 2023
Venue: Seminar Hall
Coordinator: Gopichandh Basa, Mechanical HOD

This workshop aims to explore various aspects of renewable energy sources, including solar, wind, hydro, and biomass energy. Participants will have the opportunity to learn about the latest advancements, technologies, and applications in the field of renewable energy.

Join us as we delve into discussions on the importance of renewable energy in addressing environmental challenges, reducing carbon emissions, and promoting sustainable development. The workshop will feature interactive sessions, expert presentations, and hands-on demonstrations to enhance learning and collaboration.

Thank you for your interest, and we look forward to your participation in this workshop on renewable energy sources.

Report: Workshop on Renewable Energy Sources

Date: 14th and 15th March 2023

Venue: Seminar Hall

Coordinator: Gopichandh Basa, Mechanical HOD

Number of Participants: 20

Summary:

The two-day workshop on "Renewable Energy Sources" conducted on 14th and 15th March 2023 at the Seminar Hall was a highly informative and interactive event aimed at exploring various aspects of renewable energy and its significance in addressing global energy challenges.

Key Highlights:

Inaugural Session: The workshop commenced with an inaugural session led by the coordinator, Gopichandh Basa, who highlighted the importance of renewable energy sources in mitigating climate change, reducing dependency on fossil fuels, and promoting sustainable development.

Expert Presentations: Esteemed experts from academia and industry delivered insightful presentations on different renewable energy sources, including solar, wind, hydro, and biomass energy. They discussed the latest advancements, technological innovations, and case studies highlighting successful renewable energy projects.

Interactive Sessions: Participants actively engaged in interactive sessions, asking questions, sharing experiences, and exchanging ideas with the speakers and fellow attendees. Group discussions facilitated knowledge sharing and collaboration, fostering a conducive learning environment.

Kondapur, Ghatkesar Municipality, Medchal (D)

SAMSKRUTI COLLEGE OF ENGINEERING & TECHNOLOGY
(Approved by AICTE, New Delhi & Affiliated to JNTU(H.)
Kondapur(V), Ghatkesar(M), Medchal(Dist)

Hands-on Demonstrations: The workshop featured hands-on demonstrations of renewable energy technologies, allowing participants to gain practical insights into the design, installation, and operation of solar panels, wind turbines, and other renewable energy systems.

Case Studies: Real-world case studies of successful renewable energy projects were presented, showcasing the economic, environmental, and social benefits of adopting renewable energy solutions. Participants learned from best practices and identified opportunities for implementing similar projects in their respective domains.

Conclusion:

The workshop on renewable energy sources provided participants with a comprehensive understanding of the various renewable energy technologies and their applications. Attendees left the workshop inspired and equipped with practical knowledge and tools to contribute to the transition towards a sustainable energy future.

Acknowledgments:

We extend our sincere gratitude to Gopichandh Basa for his exceptional coordination and leadership in organizing the workshop. Special thanks to all the speakers, participants, and organizers for their valuable contributions to making this workshop a success.

We are thrilled to announce an upcoming seminar on "Entrepreneurship and Startups" scheduled to be held on 24th February 2023. We extend a warm invitation to all members of our organization and interested participants to join us for this exciting event.

Seminar Title: Entrepreneurship and Startups

Date: 24th February 2023

Coordinator: Mrs. Aarthi, MBA HOD

This seminar aims to inspire and empower individuals interested in entrepreneurship and startup ventures. Through engaging presentations, interactive sessions, and real-world case studies, attendees will gain valuable insights into the entrepreneurial journey, startup ecosystem, and key strategies for launching and scaling successful ventures.

Join us as we explore the dynamic world of entrepreneurship and startups, and discover how innovative ideas can be transformed into thriving businesses. Your active participation will contribute to making this seminar a memorable and enriching experience for all.

Thank you for your attention, and we look forward to your presence at the seminar.

Date: 25/02/2023

Report: Seminar on Entrepreneurship and Startups

Date: 24th February 2023

Coordinator: Mrs. Aarthi, MBA HOD

Number of Participants: 25

Summary:

The seminar on "Entrepreneurship and Startups" held on 24th February 2023 was a highly enriching and inspiring event aimed at fostering an entrepreneurial mindset and providing valuable insights into startup ventures.

Key Highlights:

Introduction: The seminar commenced with an introduction by Mrs. Aarthi, the coordinator and MBA HOD, who emphasized the importance of entrepreneurship in today's dynamic business landscape. She highlighted the role of startups in driving innovation, creating job opportunities, and contributing to economic growth.

Guest Speakers: Esteemed guest speakers, including successful entrepreneurs and industry experts, delivered engaging presentations on various aspects of entrepreneurship and startup ventures. They shared their personal experiences, challenges faced, and lessons learned along their entrepreneurial journey.

Topics Covered: The seminar covered a wide range of topics, including:

Ideation and opportunity recognition

Business model innovation and validation

Funding options and investment strategies

Marketing and customer acquisition

Scaling and growth strategies

Interactive Sessions: Participants actively engaged in interactive sessions, asking questions, sharing insights, and seeking advice from the guest speakers and fellow attendees. Panel discussions provided a platform for exchanging ideas and addressing common challenges faced by aspiring entrepreneurs.

SAMSKRUTI COLLEGE OF ENGINEERING & TECHNOLOGY
(Approved by AICTE, New Delhi & Affiliated to JNTU.H.)
Kondapur(V), Ghatkesar(M), Medchal(Dist)

Case Studies: Real-life case studies of successful startups were presented, showcasing different entrepreneurial journeys and highlighting key success factors. Participants gained valuable insights into the strategies employed by successful entrepreneurs and the importance of adaptability and resilience in the startup ecosystem.

Conclusion:

The seminar on entrepreneurship and startups provided participants with valuable knowledge, inspiration, and practical insights to embark on their entrepreneurial journey with confidence. Attendees left the event feeling motivated and equipped with actionable strategies to turn their innovative ideas into successful ventures.

Acknowledgments:

We extend our sincere gratitude to Mrs. Aarthi for her exemplary coordination and leadership in organizing the seminar. Special thanks to all the guest speakers, participants, and organizers for their valuable contributions to making this seminar a success.

CIRCULAR

We are delighted to announce an upcoming lecture titled "Planning R&D Activities" scheduled to be held at the Seminar Hall. We invite all interested individuals to join us for this informative session:

Lecture Title: Planning R&D Activities

Date: 21st December 2022

Venue: Seminar Hall

Coordinator: Vanisree, ECE Department

This lecture aims to provide insights into the strategic planning process for research and development (R&D) activities. Through engaging discussions and practical examples, attendees will learn about effective methods and tools for planning and managing R&D projects.

Join us as we explore the importance of strategic planning in driving innovation and achieving organizational goals. Your participation will contribute to making this lecture a valuable learning experience for all.

Report: Lecture on Planning R&D Activities

Date: 21st December 2022

Venue: Seminar Hall

Coordinator: Vanisree, ECE Department

Number of Participants : 30

Summary:

The lecture on "Planning R&D Activities" conducted on 21st December 2022 at the Seminar Hall provided valuable insights into the strategic planning process for research and development endeavors. Led by the coordinator, Vanisree from the ECE Department, the lecture aimed to equip participants with essential knowledge and tools for effective R&D project management.

Key Highlights:

Introduction: The lecture commenced with an introduction by the coordinator, Vanisree, who outlined the importance of strategic planning in R&D activities. She emphasized the role of planning in driving innovation, managing resources efficiently, and achieving research objectives.

Conceptual Framework: The lecture covered a conceptual framework for planning R&D activities, including:

Defining research goals and objectives

Assessing project feasibility and risks

Developing a timeline and budget

Identifying key stakeholders and collaborators

Case Studies: Real-life case studies were presented to illustrate effective R&D planning strategies in various industries. Participants analyzed successful R&D projects and learned from best practices and lessons learned.

Interactive Discussion: Participants engaged in interactive discussions, sharing their experiences and challenges related to R&D planning. The coordinator facilitated discussions on overcoming common obstacles and implementing practical solutions.

Resource Allocation: The lecture addressed the allocation of resources, including human capital, funding, and technology, to support R&D initiatives. Participants learned strategies for optimizing resource allocation to maximize project outcomes.

Conclusion:

The lecture on planning R&D activities provided participants with valuable insights and practical tools for effective project management. Attendees left the session with a deeper understanding of the importance of strategic planning in driving research and innovation.

Acknowledgments:

We extend our gratitude to the coordinator, Vanisree, for her excellent coordination and leadership in organizing the lecture. Special thanks to all participants for their active engagement and valuable contributions to the discussion.
