Subject: Accreditation status of program applied by Samskruti College of Engineering and Technology, Kondapur (V), Ghatkesar (M), R.R. Dist-501301, Hyderabad 501301, Telangana.

Sir,

This has reference to your application I.D. No. 7260-19-09-2022 seeking accreditation by National Board of Accreditation to UG Engineering program applied by Samskruti College of Engineering and Technology, Kondapur (V), Ghatkesar (M), R.R. Dist-501301, Hyderabad 501301, Telangana.

2. An Expert Team conducted onsite evaluation of the program from 03<sup>rd</sup> to 05<sup>th</sup> March, 2023. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier II June 2015 Document	Accredited	Academic Years 2023-2024 to 2025-2026 i.e. upto 30-06-2026	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for 3 years. Samskruti College of Engineering and Technology, Kondapur (V), Ghatkesar (M), R.R. Dist-501301, Hyderabad 501301, Telangana should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to Samskruti College of Engineering and Technology, Kondapur (V), Ghatkesar (M), R.R. Dist-501301, Hyderabad 501301, Telangana as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above program is enclosed.

This MoU is signed on the 27 day of November 2019 between Vardhaman College of Engineering (Mentor Institute), Hyderabad and Samskruti College of Engineering and Technology (hereinafter called Mentee Institute) Hyderabad.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

1. Margdarshan (Share and Mentor Institutions) is one of AICTE Quality Improvement schemes. The scheme envisages that a Hub 'n Spoke system is to be established by an Institute of repute as a Mentor within an existing facility to serve as the hub (Mentor) to guide and disperse knowledge to ten technical institutions to encourage best practices. The secondary branches, the spokes, are additional services provided to faculty for self-improvement. Eventually, the Hub 'n Spoke system will allow for inter hamlet information sharing, such as helping mentee institutes to improve their quality parameters and enable them to get accreditation by NBA.
