Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.

Response:

Samskruti College of Engineering and Technology (SCET) is having an all round environment where in human differences are exclusively accepted and valued by creating an atmosphere that upgrades a sense of belongingness. Each person is respected and valued for his /her individuality, is recognized and developed, and their performances are utilized effectively. The staff and students are equally valued, so that everyone can participate and flourish. The Institution maintains complete transparency in admissions conducted on excellence basis. The Institution believes in fairness of all cultures and traditions, as it is conspicuous from the fact that students belonging to different caste, religion and regions are studying in the college without any prejudice. There is no sorting out or discriminating the students on the basis of their socioeconomic, regional, lingual or communal circumstance. Equal opportunities are provided to the students to participate in numerous activities conducted disregarding of their caste, creed, religion and region. The Institution has an NSS (National service scheme) wing to magnetize a sense of unity, discipline and harmony. Anti-ragging cell acts as a key factor in maintaining tolerance and harmony among students. Not even a single incidence of ragging has been reported yet, which shows the efficient working of the cell. Grievances redressal committee is also constituted to address the grievances among students. No serious grievances have been reported till date. The girls are encouraged to take up leadership roles and participate actively in all

student activities. Events to upgrade gender equity are also conducted. Industrial visits expose students to the pragmatic challenges and also make the students from different backgrounds adapt to one another to create a tolerance and harmony in the Institution. On 12th January, National Youth Day is celebrated every year. The Institution encourages youth innovation for human and planetary health, cultural events, organizes plays, skits, competitions, invites guest speakers, educates the students and makes them aware of their social responsibilities, and understand the implications of their actions. The Institution celebrates cultural festivals like Bathukamma , Sankranti Sambaralu, eco friendly Lord Ganesha festival. Students are motivated to participate in numerous co-curricular and extracurricular activities to make them inter-weave with one another and share their opinions. The Institution provides merit scholarships as financial support to economically weak students and conducts aptitude and general knowledge classes for all students to help them for their competitive exams. Central Library has a facility to issue books from book bank to SC/ST. Remembrance days like Women's day, Teachers' day, Yoga day, World Population day, World Environment day and national festivals are also celebrated with great enthusiasm in the college. Conduction of such events inculcates students with the understanding of regional, linguistic, communal, socioeconomic and other diversities.

Date: 26/12/2022

Program name: National Service Scheme Day

Date: 24-12-2022

Venue: College Seminar hall

Agency involved: NSS UNIT

Students participated: 25 members

Every year on 24 September, National Service Scheme Day is observed and celebrated across the country. The Ministry of Youth Affairs and Sports conducts and manages the National Service Scheme (NSS), which is a public service program. In the year 1969, the National Service Scheme was introduced on the occasion of the birth centenary of Mahatma Gandhi.

During that time, the scheme was launched in 37 universities in India, including 40,000 students to be part of it. NSS helps the student to grow individually and also as a group. It makes the students confident, develop leadership skills, and gain knowledge about different people from different walks of life. Students also learn other skills that help them lead a better life in various situations

On 24-12-2022 in our college 25 students and few faculty members from different the departments are participated in the NSS Day.
