Title: Emerging and Trending Technologies

Activity Name	Workshop on "Emerging and Trending Technologies"
Objective	To develop inter personal skills, creative thinking ability among the students, To develop practical skill and knowledge
Speaker details	Mr.Rajnikanth ,Associate Manager at L&T technology Services Ltd.
Mode of Conduct	Offline
Time	One Day
Participants (offline)	<ul style="list-style-type: none">• 120 Students from I B.tech I semester Participated in the Workshop• Faculty from various Departments Attended the Workshop
Description	<ul style="list-style-type: none">• One Day Workshop on "Emerging and Trending Technologies" was organized. An expert speaker from the industry Mr. Rajnikanth ,Associate Manager at L&T technology Services Ltd. startup with practical experience in entrepreneurship and innovation was invited. <p>The workshop focused on the following :</p> <ul style="list-style-type: none">• Interpersonal skills & Entrepreneurship• Critical & creative thinking skills• Practical entrepreneurial skills & knowledge

Activity Report

Activity: Poster Presentation

Department of CSE

Samskruti College of Engineering & Technology

Date of Presentation: 05-09-2023

Venue: Seminar Hall

1. Introduction

The Poster Presentation event, organized by the Department of CSE was held on 05-09-2024 at Seminar Hall. This event aimed to provide a platform for students to showcase their research, innovation, and technical expertise in various fields of engineering. A total of 45 students participated, presenting posters on recent trending technologies.

2. Objectives of the Presentation

The primary objective of the event was to encourage students to present their research findings, design projects, and innovative ideas in a professional manner. The event also aimed at improving the technical communication skills of the participants and fostering collaboration between students, faculty members, and industry experts.

3. Topics Covered

The poster presentations covered a wide array of topics, including:

- Renewable energy technologies
- Machine learning and artificial intelligence applications
- Advanced materials and nanotechnology
- Robotics and automation
- Structural analysis and design
- Wireless communication systems

4. Methodology

Students were required to choose a topic relevant to their field of study and develop a research-based poster. Each student or group worked closely with a faculty advisor to ensure their research met academic and professional standards. The posters were then reviewed by a panel of faculty members before the presentation.

Principal
Samskruti College of Engg. & Technology
Kondapur (V), Ghatkesar (M), Medchal Dist.

5. Event Proceedings

The event commenced at 10:00 am with an opening speech by Head of Department Mr. K.Vamshee Krishna. The poster presentations took place in Seminar HALL, where students stood by their posters and explained their work to faculty members, students, and invited guests. A panel of judges, comprising Faculty Members, evaluated the posters based on [Criteria such as clarity, innovation, relevance, etc.]. Each student had [Time Allotted] to present and answer questions from the panel and audience.

6. Evaluation

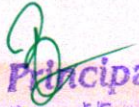

The posters were evaluated based on the following criteria:

- Clarity of content and objectives
- Technical accuracy
- Visual appeal and organization
- Innovation and originality
- Relevance to current engineering challenges
- Ability to answer questions and defend the research

Several students expressed that the poster presentation helped them improve their research and presentation skills. "This event gave me the opportunity to showcase my work and get constructive feedback from my professors and peers." Many students appreciated the chance to interact with industry professionals and gain insights into the practical applications of their projects.

The poster presentation event was a great success, providing an excellent platform for students to demonstrate their knowledge and creativity. The event helped students improve their technical communication skills and fostered a spirit of innovation. Going forward, more emphasis could be placed on industry participation, which would further bridge the gap between academia and real-world engineering challenges.
