

SCET/IQAC/Circular-03

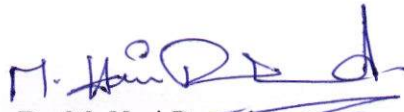

Date: 04-12-2023.

CIRCULAR

A meeting of IQAC Committee members will be conducted on **05-12-2023** at IQAC chamber at **11:30 AM** to discuss the below-mentioned points.

Agenda:

1. Review of progress on NAAC reassessment preparation.
2. Analysis of faculty performance and research activities.
3. Discussion on the implementation of advanced teaching methodologies.
4. Strengthening the student mentoring system.
5. Review of student placement strategies and outcomes.
6. Any other matter with the permission of the Chairman.

Dr. M. Hari Prasad
Convenor, IQAC

Prof. C. Udaya Kiran
Principal & Chairman, IQAC

CC: All IQAC Committee Members

PRINCIPAL
Samskruti College of Engineering & Technology
Kondapur, Ghatkesar Municipality, Medchal (D)

Minutes of the IQAC Meeting held on 05-12-2023

1. Review of progress on NAAC reassessment preparation.

The progress on submitting the IIQA for NAAC reassessment was reviewed, and it was confirmed that the submission is on track to meet the deadline of 22nd December 2023.

2. Analysis of faculty performance and research activities.

- A detailed review of faculty performance was conducted.
- Faculty members were encouraged to publish research papers in reputed journals.
- Recommendations were made to increase participation in conferences and workshops.

3. Discussion on the implementation of advanced teaching methodologies.

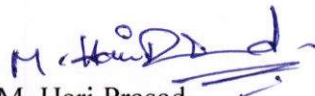

The committee emphasized adopting technology-driven teaching methods, including AI-based tools, virtual labs, and online platforms for better engagement and understanding.

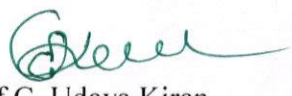

4. Strengthening the student mentoring system.

It was resolved to enhance the student mentoring system by increasing mentor-mentee interactions and providing more career counseling sessions.

5. Review of student placement strategies and outcomes.

A discussion was held on improving campus placement strategies. The need to strengthen industry connections and conduct pre-placement training programs was highlighted.

Dr. M. Hari Prasad
Convenor, IQAC

Minutes of the IQAC Meeting held on 20-04-2024

1. Review and evaluation of the implementation of quality circles.

The effectiveness of quality circles was assessed, and it was noted that they have contributed positively to departmental improvements. Recommendations were made to expand quality circles to non-academic areas.

2. Analysis of feedback from recent alumni and industry stakeholders.

The feedback highlighted the need for advanced technical workshops and better industry integration. Steps to address these gaps were discussed.

3. Development of faculty training programs on emerging technologies.

It was decided to organize Faculty Development Programs (FDPs) on AI, IoT, and Blockchain in collaboration with reputed organizations.

4. Evaluation of extracurricular activities for holistic student development.

The committee reviewed current extracurricular activities and proposed adding programs focusing on communication skills, leadership, and innovation.

5. Planning for the next academic year's activities.

A tentative plan for the next academic year was outlined, focusing on academic excellence, research, and student engagement.

Dr. M. Hari Prasad
Convenor, IQAC

Prof C. Udaya Kiran
Principal & Chairperson, IQAC
