

Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities

7.1.8

Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities:

Samskruti College of Engineering and Technology all around environment where in human differences are exclusively accepts and valued by creating an atmosphere that upgrades a sense of belonging. In all around environment, each person is respected and valued for his/her individuality recognized and developed, and their performances are groovely utilized. The people are valued because of, not in spite of their differences so everyone can fully participate and flourish. The Institution maintains complete transparency in admissions conducted on excellence basis. The Institution believes in fairness of all cultures and traditions as is conspicuous from the fact that students belonging to different caste, religion and regions are studying in the college without any prejudice. There is no sorting out of students on the basis of their socioeconomic, regional, lingual or communal circumstance. Equal opportunities are provided to the students to participate in numerous activities conducted disregarding of their caste, creed, religion and region.. A single incidence of ragging has not been reported since founding which shows the efficient working of the cell. Grievances reparation committee is also constituted to address the grievances among students to maintain euphony in the college. No serious grievances have been reported till date. The girls are encouraged to take up leadership roles and participate actively in all student activities. Events to upgrade gender equity are also conducted. Industrial visits expose students to the pragmatic challenges and also make the students from different backgrounds adapt to one another to create a tolerance and harmony in the organization. Celebrating a cultural club, organized plays, skits, competitions and invited lectures, educates the students and makes them aware of their social responsibilities and understand the implications of their actions. The Institution celebrates cultural fests like Yoga Day, Sports Day, Pre-Christmas Celebrations, Bathukamma celebrations, Sankranthi Sambaralu, which upgrade cuphony in communal miscellaneous Students are motivated to participate in numerous co-curricular and extracurricular activities to make them interweave with one another and share their opinions and dissent in a euphonious manner. The Institution provides poer and merit scholarships as financial support and conducts aptitude and general knowledge classes for all students to help them for their competitive exams. Central Library has a facility to issue books from book bank to SC/ST. Remembrance days like Women's day, Teachers' day, Yoga day, World population day, World environment day and national festivals are also celebrated in the college. Conduction of such events helps in upgrading regional, linguistic, communal socioeconomic and other diversities.

Describe the Institutional efforts/initiatives in providing an inclusive environment Le, tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.

Response:

Samskruti College of Engineering and Technology (SCET) is having an all round environment where in human differences are exclusively accepted and valued by creating an atmosphere that upgrades a sense of belongingness. Each person is respected and valued for his/her individuality, is recognized and developed, and their performances are utilized effectively. The staff and students are equally valued, so that everyone can participate and flourish. The Institution maintains complete transparency in admissions conducted on excellence basis. The Institution believes in famines of all cultures and traditions, as it is conspicuous from the fact that students belonging to different caste, religion and regions are studying in the college without any prejudice. There is no sorting out or discriminating the students on the basis of their socioeconomic, regional, lingual or communal circumstance. Equal opportunities are provided to the students in participate in numerous activities conducted disregarding of their caste, creed, religion and region. Not even a single incidence of ragging has been reported yet, which shows the efficient working of the cell. Grievances redressed committee is also constituted to address the grievances among students. No serious grievances have been reported till date. The girls are encouraged to take up leadership roles and participate actively in all student activities. Events to upgrade gender equity are also conducted. Industrial visits expose students to the pragmatic challenges and also make the students from different backgrounds adapt to one another to create a tolerance and harmony in the Institution. The Institution encourages youth innovation for human and planetary health, cultural events, organizes plays, skits, competitions, invites guest speakers, educates the students and makes them aware of their social responsibilities, and understand the implications of their actions. The Institution celebrates cultural fests like Bathukamma, Sankranthi Sambaralu,. Students are motivated to participate in numerous co-curricular and extracurricular activities to make them inter-weave with one another and share their opinions. The Institution provides merit scholarships as financial support to economically weak students and conducts aptitude and general knowledge classes for all students to help them for their competitive exams. Central Library has a facility to issue books from book bank to SC/ST. Remembrance days like Women's day, Yoga day and national festivals are also celebrated with great enthusiasm in the college. **PRINCIPAL** of such events inculcates students with the understanding of regional, linguistic, communal, socioeconomic and other diversities.

Activity Report: International Yoga Day Celebration Program Report

Event Name: Yoga Day Celebration

Organized by: Department of Computer Science and Engineering (CSE)

Date: JUNE 21ST 2023

Venue: Open Ground

Time: 10:00 a.m

Event Coordinator(s): Mr.A.Rajinidevi, Mr.K.Vamshee Krishna

Yoga Instructor: Mr.Shiva Kumar, Yoga Trainer, Ghanpur, Warangal

1. Objective of the Event:

The Yoga Day Celebration was organized with the aim of promoting physical and mental well-being among students and faculty. The event focused on spreading awareness about the benefits of yoga and meditation, encouraging participants to adopt a healthy lifestyle. It was in line with the global celebration of International Yoga Day, emphasizing the role of holistic health in education and personal development.

2. Participation:

The event witnessed enthusiastic participation from students, faculty members, and staff of the department. The participants were encouraged to take part in both the yoga and meditation sessions, which were led by experienced instructors.

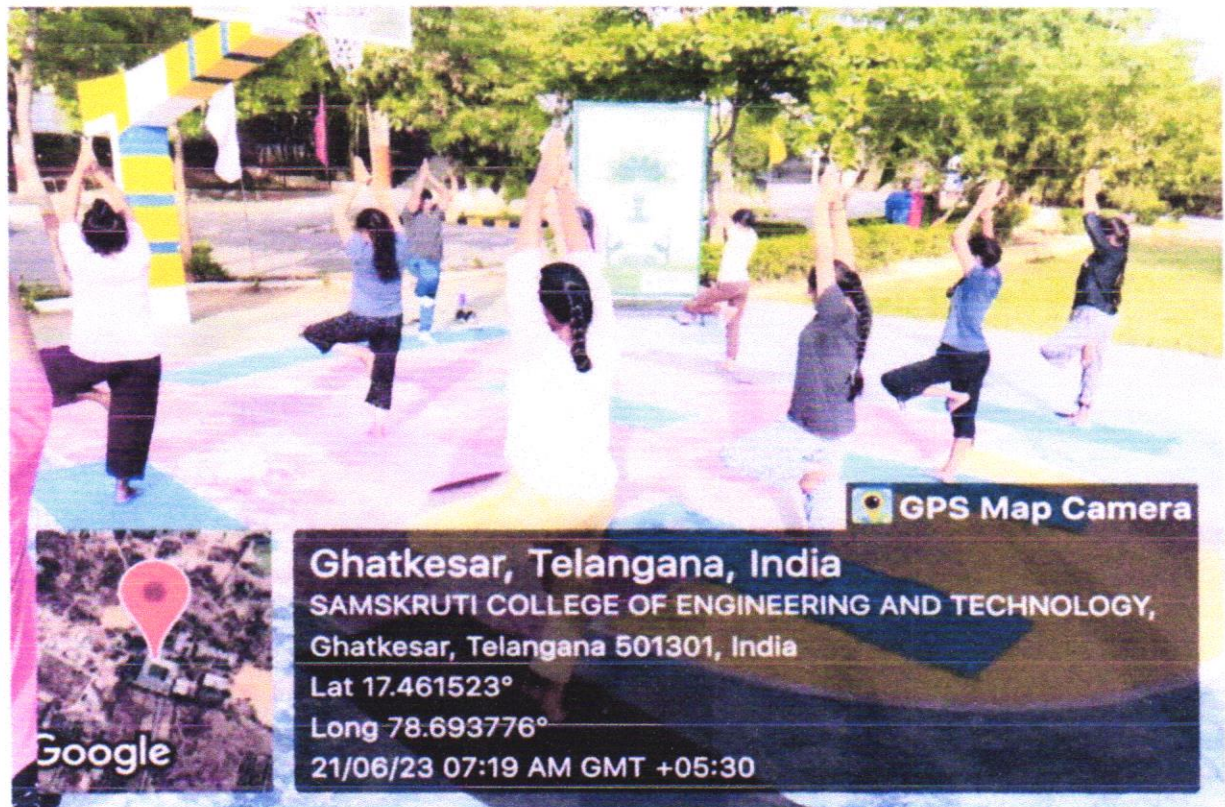

3. Yoga Instructor:

The event featured a special yoga session led by a professional yoga instructor. The instructor demonstrated various yoga postures (asanas) and guided participants through meditation techniques.

4. Event Proceedings:

The event began with an inaugural speech by the Head of the Department, who highlighted the significance of yoga in maintaining both physical and mental balance, especially in the academic environment where stress and sedentary lifestyle are common concerns.

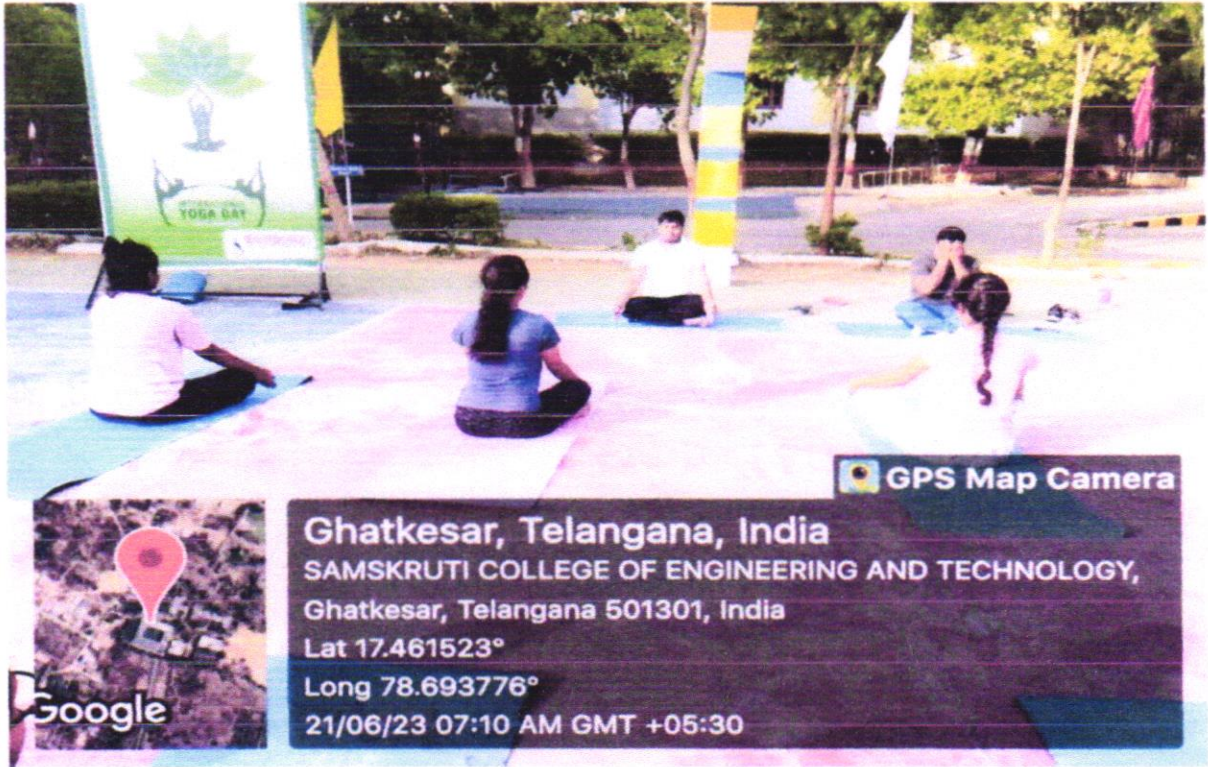

Yoga and Meditation Session: The main highlight of the event was a one-hour yoga and meditation session. Participants were taught several basic and intermediate yoga postures, focusing on improving flexibility, strength, and posture. The instructor also emphasized breathing techniques (Pranayama) and their benefits in reducing stress and improving concentration.

7.1.8(2) Yoga Instructor Leading a Class

7.1.8(3) Close-Up of a Practitioner in a Yoga Pose

Key activities during the session included:

- **Warm-up Exercises:** Basic stretching and flexibility exercises.
- **Yoga Postures:** Demonstration of asanas such as:
 - **Tadasana** (Mountain Pose)
 - **Vrikshasana** (Tree Pose)
 - **Bhujangasana** (Cobra Pose)
 - **Adho Mukha Svanasana** (Downward Dog Pose)
 - **Savasana** (Corpse Pose) for relaxation.
- **Pranayama:** Breathing exercises including **Anulom Vilom** (alternate nostril breathing) and **Kapalbhati** (breath of fire).
- **Guided Meditation:** A short session focusing on mindfulness and calming the mind.

Conclusion:

The Yoga Day Celebration in the Department of CSE was a successful event, promoting health, relaxation, and mindfulness among participants. It served as a reminder of the importance of integrating physical activities and mental wellness into our daily routines, especially in high-pressure environments like academia.

The event concluded with a vote of thanks from the event coordinators, who expressed their gratitude to the yoga instructor, participants, and organizing team for making the event a success. The department is looking forward to organizing more such wellness activities in the future.

PROGRAM REPORT

Date: 30/09/24

Program name: Orientation program 2023

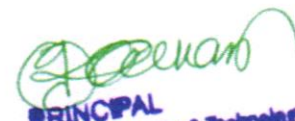

Date: 28/08/23

Venue: Samskruti College of Engineering and Technology Campus

Orientation program SIP 2024 was held on 28/08/2023 on the premises of Samskruti College of Engineering and Technology. Our Chief Guest was **Dr.P.SWETHA**, Asst.Proff of Mathematics, Directorate of Academic Affairs, JNTUH. There was a welcome dance followed by speeches from the dignitaries which was followed by the felicitation of our Chief Guest. The felicitation was done by our Chairman sir, Mr.A.V.Ramana Reddy. All the dignitaries gave wonderful inspirational and motivational speeches to encourage the students in giving their best in academics and excelling in their fields. They talked about the importance of maintaining a disciplined life and focusing on their goals. Our Chairman sir and Director sir also spoke about the facilities available in our institution which will help them to shape their career. TPO head, Mrs.Sumedha Ramesh spoke about the different internship opportunities that the student can avail and take part in. Last but not the least, Mr. Chiranjeevi Garu, the motivational speaker took an interesting and motivating session where he interacted both with the students and the parents. He discussed about real life issues that the youth has to deal with like stress and anxiety. Sir also discussed about the different strategies to overcome the same. So, it proved to be a fruitful session for all. Lunch was also provided to everyone on this occasion. A large number of students and parents had attended the program and it was a successful event.
