

## SAC COUNCIL

The SAC Student and faculty council has been formulated to take care of student activities by forming various clubs. The SAC is responsible for overseeing all clubs and weekly activities, ensuring that everything runs smoothly and efficiently. The Council manages a wide range of tasks, including design, public relations, marketing, and technical support. By coordinating these essential functions, the SAC helps create a well-organized environment where every club can thrive and every activity can take place systematically. Their dedication and teamwork play a key role in maintaining a vibrant and engaging campus experience.
