\* The upcoming working at Samskruti College Of

Pharmacy will focus on the topic of intellectual property rights and regulatory guidelines for the pharmaceutical industry.

- The workshop aims to provide participants with an understanding of the importance of intellectual property rights and the regulatory framework governing the pharmaceutical industry.

- They will also learn about the various regulatory bodies governing the industry, including the FDA, EMA and other international agencies.

- By the end of the workshop, participants will have a better understanding of the importance of intellectual property rights and the regulatory framework governing the pharmaceutical industry. They will also have gained Practical knowledge and skills required to apply these principal in their research projects and careers in the pharmaceutical industry.
