are in the way of Drug Discovery. The department of life sciences gets involved in it and it gives them the idea of Research Methodology involvement in developing the knowledge, skills of Faculty and intends to provide opportunities in disciplines of Pharmaceutical technology. It improves the learning aspects and environment characterizing development

ABOUT SAMSKRUTI

Samskruti College of Pharmacy, a well developed campus is built in 25 acres of land consisting of the main building, labs and amenity buildings with a canteen and an auditorium. Ample open space for outdoor games and landscapes are provided to make it an ideal place for learning.

Samskruti College of Pharmacy was established in 2006. The college is situated on a serene and beautiful campus which is conducive for imparting quality education, helpful for growth of knowledge and career building. The builtup area is 2 lakh sqft. having spacious classrooms equipped with audio video aids for teaching and learning process in addition to value added programs on all disciplines. Further the campus has a spacious library that contains large volumes of books, a conference hall, a seminar hall and a ladies lounge and well equipped laboratories.

VISION

"TO BE A CENTER OF EXCELLENCE BY REDEFINING PHARMACY EDUCATION AND NURTURE GLOBALLY COMPETENT PROFESSIONAL PHARMACISTS"

MISSION

To train and develop students into professional pharmacists so as to fulfill the industry and community needs. To shoulder the responsibility of reducing the suffering of mankind by providing Pharmaceutical care.

Objective

Pharmaceutical Sciences is a dynamic and interdisciplinary field that aims to integrate fundamental principles of physical and organic chemistry, engineering, biochemistry, and biology to understand how to optimize delivery of drugs to the body and translate this integrated understanding into new and improved therapies against human disease. Pharmacology is concerned with the study of drug action, where a drug can be broadly defined as any man-made, natural, or endogenous molecule which exerts a biochemical or physiological effect on the cell, tissue, organ, or organism. Drug design is the inventive process of finding new medications based on the knowledge of a biological target. The pharmaceutical industry discovers, develops, produces and markets pharmaceutical drugs for use as medications to be administered to patients, with the aim to cure them, vaccinate them, or alleviate the symptoms. In the present conference, pharmaceutical experts from international and national universities/institutions will address on the diverse issues related to pharmaceutical sciences.

SAMSKRUTI COLLEGE OF PHARMACY, GHATKESAR, HYDERABAD

About College

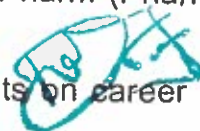

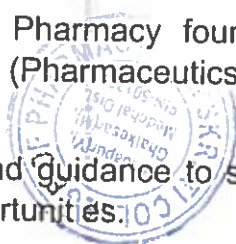

Founded in 2005 by St. Vincent Educational Society, Samskruti College of Pharmacy represents a rich tradition of excellence in technology-based education. A premier-league institution among the affiliates of JNTUH University, Samskruti College of Pharmacy is a reputed institution in the State of Telangana. The College follows the University norms and has required number of faculty in both ratio and cadre wise. Samskruti College of Pharmacy has emerged into a centre of excellence in pharmacy education.

The main vision of the college is to be a centre of excellence by redefining pharmacy education and nurture globally competent professional pharmacists. The mission is to train and develop students into professional pharmacists so as to fulfill the industrial and community needs.

The college lays stress on assignments, practical training, personality development including soft skills, special coaching for GATE, GRE and also conducting respective mock tests, the students feedback, sports & games and co-curricular activities to explore potential and ensure self discipline in student community with the interaction through counseling and various committees. Transport facility for the students is provided from all corners of the city. The Institute has established a spacious library & Information center providing National, International and E- Journals. Excellent hostel facilities have been provided for the students with round the clock security, nutritious and hygienic food.

The college offers Bachelor of Pharmacy four years degree programme, Pharm.D programme along with M. Pharm (Pharmaceutics), M. Pharm (Pharmaceutical Analysis) and M. Pharm (Pharmacology).

At Samskruti, we give training and guidance to students on career related matters and assist them in exploring new opportunities.

About Association of Pharmacy Professionals (APP)

APP is a unique organization of more than 1000 dedicated professionals willing to serve pharmacy profession in dynamic which involves people from various arena including students, teachers, researchers, scientists as well as industry professionals. APP is continuously gaining attention among pharmacy community of India and abroad.

APP actually aids in extending the knowledge and facilities of several technical institutes, industries as well as health sectors to the remote areas where the service and live functionality of pharmacy profession is the real want.

This humble act might be in the form of academic, research or health related activities. The association is also aware about and share the responsibilities of professionals towards the community and social liabilities. The APP also accesses the availability of expertise when it needs and ensures that the systematic teaching learning activities not only occurs but also reach to the common knowledge development system by acting as source of fulfilment in case of any need.

Role of 'Association of Pharmacy Professionals' is also to think of betterment of the community, society and also to involve young generation to lead them to run the new era of pharmacy and related disciplines under the blessings and guidance of previous generation. We assure the dedicated and wholehearted efforts of our resources and abilities to push the pharmacy profession in all ways. Let us hope and work for making APP more visible at every forefront of scientific, academic and research fields. May the kind cause and wisdom of APP reach many places, many people all over India and abroad and enlighten the name of profession beyond the boundaries globally.
