## **IQAC**

### **Teaching learning reforms & learning outcomes**

- 1. Identification of slow learners and advanced learners**
- 2. Research and innovations**

The institute continuously assesses the student performance and identifies the slow and the advanced learners

Continuous monitoring of each and every student

One to one interaction of students and teachers during class and lab

The institute has adopted mentoring system which is used to counsel every student by respective mentors

Performance of the students in the class test, viva conducted in the lab hours

Feedback from the faculty members

### **Activities for slow learners**

Slow learners are supported through an academic counselling process

Slow learners are supported through mentoring process

Well designed learning materials is provided by the course faculty to make their preparations easy to get clarify the doubts in better way  
Remedial classes are conducted to improve knowledge on backlog subjects

Previous year question papers are discussed to know the paper pattern

Conduct special tests and revision classes to clarify the doubts

Critical topics are explained for better understanding especially for slow learners

Question banks are given to focus on important topics by each faculty

### **Special activities for advanced learners**

Students are encouraged with cash prizes given by the institution for first three toppers from each program by the management

Students are encouraged to publish research papers in National and International journals

Students are encouraged to take up competitive exams like GPAT, GRE, TOEFL, IELTS, NIPER, PG CET

Students are encouraged to present oral and poster presentations in seminars and conferences
