PROGRAM REPORT

Program Name: Awareness about value based system.

Date of Activity: 08.06.2018

Venue: College Seminar hall.

Organized by: Department of Pharmacy.

Number of participants: 62

Value-based care is a term that Medicare, doctors and other health care professionals sometimes use to describe health care that is designed to focus on quality of care , provider performance and the patient experience. The “value” in value-based care refers to what an individual values most. In future the students and the staff members will work in different types of the systems for giving their services and gaining the livelihood. Therefore it is essential to make the students and staff members of the college aware about various aspects of value based system.

In this program the participants were made aware about

- What is a value-based system?
- example of a values based practice.
- What are the principles of value-based practice?
- Why is value-based practice important?
- What is the value base of care?
- What is a value and how does it relate to one's health?
- What are the objectives of value-based system?
- What are the different types of value-based?
- the values of system of care.

Haritha Haram - An Environmental Promotional Program:

Samskruti College of Pharmacy is conducting an important environmental promotional program named 'Haritha Haram' both inside and outside the college campus every year by making the involvement of more number of female students and staff of the college apart from the male students and staff especially to sensitize them on the importance of the plantation program 'Haritha Haram'. This program also emphasizes the importance and role of plants and trees in minimizing the pollution and in maintaining the good environment for the health and wellbeing of the society. The college is ready to encourage the larger involvement of female students and faculty in any other kind of environmental promotional program that it undertakes in future.

The NSS unit and students of Samskruti College of Pharmacy in association with their faculty have organized a plantation program named 'Haritha Haram' at the college premises and outside the campus of Samskruti Group of Institutions which comes under the village Kondapur on 18th September 2019. The purpose of undertaking this program is to bring an awareness regarding the necessity and advantages of plantation and growing the plants on the earth both in the campus students and in the nearby local community.

PROGRAM REPORT

Program name: 'Republic Day'.

Date: 26.01.2021

Venue: College campus.

Organized by: Department of Pharmacy.

Students and staff members participated: 34 members.

Every year on 26th January, 'Republic Day' is observed and celebrated across the country. Republic Day is celebrated on January 26 every year to remember the day when the Constitution of India came into effect after India gained independence after a very long freedom struggle. **Republic Day** is a national holiday in India commemorating the adoption of the Constitution of India, and the country's transition to a republic which came into effect on 26 January 1950.

The constitution replaced the Government of India Act 1935 as the governing document of India, thus turning the nation from a dominion into a republic post its independence from the British Raj in 1947. The constitution was adopted by the Constituent Assembly of India on 26 November 1949 and came into effect on 26 January 1950. The date was chosen as the Indian National Congress proclaimed 'Purna Swaraj' (complete independence) on this day. Republic Day is commonly associated with parades, political speeches, cultural events and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of India.

Republic day was celebrated by flagasting following the speeches of the Principal, HODs and some of the staff members and the students. The principal and HODs of the college reviewed and explained most of the details about the preparation of constitution of India and the significance of it. They speakers in this ceremony also explained about the significance of the 'Republic day'.

Haritha Haram - An Environmental Promotional Program:

Samskruti College of Pharmacy is conducting an important environmental promotional program named 'Haritha Haram' both inside and outside the college campus every year by making the involvement of more number of female students and staff of the college apart from the male students and staff especially to sensitize them on the importance of the plantation program 'Haritha Haram'. This program also emphasizes the importance and role of plants and trees in minimizing the pollution and in maintaining the good environment for the health and wellbeing of the society. The college is ready to encourage the larger involvement of female students and faculty in any other kind of environmental promotional program that it undertakes in future.

The NSS unit and students of Samskruti College of Pharmacy in association with their faculty have organized a plantation program named 'Haritha Haram' at the college premises and outside the campus of Samskruti Group of Institutions which comes under the village Kondapur on 10th August 2021. The purpose of undertaking this program is to bring an awareness regarding the necessity and advantages of plantation and growing the plants on the earth both in the campus students and in the nearby local community.

PROGRAM REPORT

Program name: 'Independence Day'.

Date: 15.08.2021

Venue: College campus.

Organized by: Department of Pharmacy.

Students and staff members participated: 66 members.

An **independence day** is an annual event commemorating the anniversary of a nation's independence or statehood, usually after ceasing to be a group or part of another nation or state, or after the end of a military occupation, or after a major change in government. Many countries commemorate their independence from a colonial empire. Not all countries mark independence as a national holiday. Many, such as Australia, Canada, Denmark, New Zealand, Ireland, Luxembourg, Saudi Arabia, South Africa, Taiwan, and Turkey mark other dates of significance.

The government of India decided to celebrate the 75 years of independence of India, with tribute to people instrumental in bringing India thus far in its journey, in the spirit of self-reliant India. It is the initiative to celebrate and commemorate 75 years of independence from British rule and the history of India's people, culture and achievements. The commemoration is to be celebrated through a series of events organized by the government of India. Prime minister of India 'Narendra Modi' inaugurated the celebration on 12 March 2021 with a *padyatra* (march) at Sabarmati Ashram with a 75-week countdown to its 75th anniversary of independence and it will continue till 2023 ending on 15th August 2023.

In the usual ceremonial practice the prime minister of India hoists the flag from Red Fort at Delhi followed by a speech on achievements and proud moments as a people of India. The individual states and cities of India will also celebrate the same at their local level. The government of India also started a campaign '*Har Ghar Tiranga* (Tiranga at each house)' under the auspices of 'Azadi Ka Amrit Mahotsav' to endorse people to bring the flag home and hoist it to mark the 75th year of India's independence.

Independence day was celebrated by flagasting following the speeches of the Principal, HODs and some of the staff members and the students. The principal and HODs of the college reviewed and explained most of the details about the events taken place in the history that lead to independence of India and the significance of it. When you wear a mask, in the event of Corona viral pandemic situation you can **protect others** as well as yourself. Masks work best when everyone wears . A mask is not a substitute for social distancing. Masks should still be worn in addition to staying at least 6 feet apart, especially when we are in indoors around people. The following must be followed to be safe.

- Washing your hands frequently (for at least 20 seconds) with soap and water or a hand sanitizer that contains at least 60% alcohol.
- Avoiding touching your face (particularly your eyes, nose, and mouth).
- Staying in home as much as possible, even if you don't feel sick.
- Avoiding crowds and gatherings of 10 or more people.
- Avoiding all non-essential shopping and travel.
- Keeping 6 feet of distance between yourself and others when out.
- Getting plenty of sleep, which helps support your immune system.
- Following all recommendations from health authorities.

PROGRAM REPORT

Program name: 'Republic Day'.

Date: 26.01.2022

Venue: College campus.

Organized by: Department of Pharmacy.

Students and staff members participated: 152 members.

Every year on 26th January, 'Republic Day' is observed and celebrated across the country. Republic Day is celebrated on January 26 every year to remember the day when the Constitution of India came into effect after India gained independence after a very long freedom struggle. **Republic Day** is a national holiday in India commemorating the adoption of the Constitution of India, and the country's transition to a republic which came into effect on 26 January 1950.

The constitution replaced the Government of India Act 1935 as the governing document of India, thus turning the nation from a dominion into a republic post its independence from the British Raj in 1947. The constitution was adopted by the Constituent Assembly of India on 26 November 1949 and came into effect on 26 January 1950. The date was chosen as the Indian National Congress proclaimed 'Purna Swaraj' (complete independence) on this day. Republic Day is commonly associated with parades, political speeches, cultural events and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of India.

Republic day was celebrated by flagasting following the speeches of the Principal, HODs and some of the staff members and the students. The principal and HODs of the college reviewed and explained most of the details about the preparation of constitution of India and the significance of it. They speakers in this ceremony also explained about the significance of the 'Republic day'. Haritha Haram - An Environmental Promotional Program:

Samskruti College of Pharmacy is conducting an important environmental promotional program named 'Haritha Haram' both inside and outside the college campus every year by making the involvement of more number of female students and staff of the college apart from the male students and staff especially to sensitize them on the importance of the plantation program 'Haritha Haram'. This program also emphasizes the importance and role of plants and trees in minimizing the pollution and in maintaining the good environment for the health and wellbeing of the society. The college is ready to encourage the larger involvement of female students and faculty in any other kind of environmental promotional program that it undertakes in future.

The NSS unit and students of Samskruti College of Pharmacy in association with their faculty have organized a plantation program named 'Haritha Haram' at the college premises and outside the campus of Samskruti Group of Institutions which comes under the village Kondapur on 18th July 2022. The purpose of undertaking this program is to bring an awareness regarding the necessity and advantages of plantation and growing the plants on the earth both in the campus students and in the nearby local community.

Organized by: Department of Pharmacy.

Students and staff members participated: 185 members.

An **independence day** is an annual event commemorating the anniversary of a nation's independence or statehood, usually after ceasing to be a group or part of another nation or state, or after the end of a military occupation, or after a major change in government. Many countries commemorate their independence from a colonial empire. Not all countries mark independence as a national holiday. Many, such as Australia, Canada, Denmark, New Zealand, Ireland, Luxembourg, Saudi Arabia, South Africa, Taiwan, and Turkey mark other dates of significance.

In the usual ceremonial practice the prime minister of India hoists the flag from Red Fort at Delhi followed by a speech on achievements and proud moments as a people of India. The individual states and cities of India will also celebrate the same at their local level Independence day was celebrated by flagasting following the speeches of the Principal, HODs and some of the staff members and the students. The principal and HODs of the college reviewed and explained most of the details about the events taken place in the history that lead to independence of India and the significance of it. They speakers in this ceremony also explained about the freedom fighters and significance of the Independence day. Large number of students and staff members were participated in this ceremony and few of the cultural events on this occasion and made the program successful.

PROGRAM REPORT

Program name: 'Republic Day'.

Date: 26.01.2023

Venue: College campus.

Organized by: Department of Pharmacy.

Students and staff members participated: 152 members.

Every year on 26th January, 'Republic Day' is observed and celebrated across the country. Republic Day is celebrated on January 26 every year to remember the day when the Constitution of India came into effect after India gained independence after a very long freedom struggle. **Republic Day** is a national holiday in India commemorating the adoption of the Constitution of India, and the country's transition to a republic which came into effect on 26 January 1950.

The constitution replaced the Government of India Act 1935 as the governing document of India, thus turning the nation from a dominion into a republic post its independence from the British Raj in 1947. The constitution was adopted by the Constituent Assembly of India on 26 November 1949 and came into effect on 26 January 1950. The date was chosen as the Indian National Congress proclaimed 'Purna Swaraj' (complete independence) on this day. Republic Day is commonly associated with parades, political speeches, cultural events and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of India.

Republic day was celebrated by flagasting following the speeches of the Principal, HODs and some of the staff members and the students. The principal and HODs of the college reviewed and explained most of the details about the preparation of constitution of India and the significance of it. They speakers in this ceremony also explained about the significance of the 'Republic day'. Large number of students and staff members were participated in this ceremony and few of the cultural events on this occasion and made the program successful.

Program name: Awareness program on 'Avoid Plastic'.

Date: 25.04.2023

Venue: Kondapur Village.

Agency involved: College NSS Unit.

Students participated: 27 members.

Plastics are non-biodegradable. Once introduced into the environment, they take several years to decompose. Plastics cause environmental pollution. They cannot be burnt as when burnt, they release poisonous gases. Every day, the equivalent of 2,000 garbage trucks full of plastic are dumped into the world's oceans, rivers, and lakes. Plastic pollution is a global problem. Every year 19-23 million tonnes of plastic waste leaks into aquatic ecosystems, polluting lakes, rivers and seas. Plastic sticks around in the environment for ages, threatening wildlife and spreading toxins. Plastic also contributes to global warming. Almost all plastics are made from chemicals that come from the production of planet-warming fuels (gas, oil and even coal).

Therefore, there is a need to bring an awareness regarding the drawbacks of plastic usage in the people of the society.

The NSS unit of Samskruti College of Pharmacy has organized an awareness program on 'Avoid Plastic' with the help of its students and staff members in the Kondapur villege on 13th December 2023 to bring an awareness regarding the drawbacks of plastic usage and the importance of avoiding its usage in the people of the villege. The people of the villege cooperated and supported in successful conduction of this program.
